Dear Mr. Griffith:

Here is the copy of WHITEWASH which you ordered by your letter of 10/10.

Harold is at the moment hospitalized with an attack of phlebitis, so is unable to respond to your letter. That will have to await the time when he is able to catch up on all the correspondence which is accumulating during his hospital stay. At the moment I can give no prediction of its length.

POST MORTEM will be out soon. It will be voluminous, with more than 150 pages of appendix, more than 450 pages of text of great detail, and 20-odd pages of index. The price will be $10.75 by insured mail.

Any questions you may have will have to be held in abeyance until Harold is available to answer them.

Sincerely,

Lillian Weisberg
